

Can whaling in Antarctica be stopped?

Jeremy Sutton-Hibbert, Greenpeace 2001

The Federal Court has declared Japanese whaling in Australia's Antarctic waters is unlawful under the Environment Protection and Biodiversity Conservation Act 1999 (Cth) and granted an injunction restraining it. This seminar explores the legal and policy implications of the decision in the Japanese Whaling Case.

Dr Chris McGrath, Barrister in the Japanese Whaling Case

Wednesday 7 May 2008, 6–7.30 pm

Start time will be 6 pm for tea and coffee, 6.30–7.30 pm for the seminar

Monash University Law Chambers 472 Bourke St, Melbourne
